**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let it be known, that I as I Sonic.net subscriber, DEFINITELY benefit as a residential customer from their services I switched from AT&T to Sonic for poor network performance and customer service on AT&T's part.

I demand that you deny the large telcos their request to restrict UNE access. As you know, competition keeps prices low, and increases innovation. Without it, Sonic would not be able to deploy their fiber network, and provide me options as a consumer outside of the majors in the internet access market.
